REGIONAL CATALOG [EFFECTIVE JULY 2015]

People Helping People Build a Safer World®

Dedicated to the Support of Building Safety Professionals

An Overview of the International Code Council

The International Code Council is a member-focused association. It is dedicated to developing model codes and standards used in the design, build and compliance process to construct safe, sustainable, affordable and resilient structures. Most U.S. communities and many global markets choose the International Codes.

Services of the ICC

The organizations that comprise the International Code Council offer unmatched technical, educational and informational products and services in support of the International Codes, with more than 200 highly qualified staff members at 16 offices throughout the United States. Some of the products and services readily available to code users include:

- CODE APPLICATION ASSISTANCE
- EDUCATIONAL PROGRAMS
- CERTIFICATION PROGRAMS
- TECHNICAL HANDBOOKS AND WORKBOOKS
- PLAN REVIEW SERVICES
- DIGITAL PRODUCTS
- ONLINE MAGAZINES AND NEWSLETTERS
- PUBLICATION OF PROPOSED CODE CHANGES
- TRAINING AND INFORMATIONAL VIDEOS
- BUILDING DEPARTMENT ACCREDITATION PROGRAMS
- EVALUATION SERVICE FOR CODE COMPLIANCE
- EVALUATIONS UNDER GREEN CODES, STANDARDS AND RATING SYSTEMS

Additional Support for Professionals and Industry:

ICC EVALUATION SERVICE, LLC (ICC-ES)

ICC-ES is the industry leader in performing technical evaluations for code compliance, providing regulators and construction professionals with clear evidence that products comply with codes and standards.

INTERNATIONAL ACCREDITATION SERVICE (IAS)

IAS accredits testing and calibration laboratories, inspection agencies, building departments, fabricator inspection programs and IBC special inspection agencies.

SOLAR RATING & CERTIFICATION CORPORATION (ICC-SRCC)

The industry standard since 1980, ICC-SRCC fulfills the industry's need for a single, national program that allows manufacturers to rate and test the efficiency of solar equipment.

CALIFORNIA

CODES INCLUDE A FREE SUBSCRIPTION SERVICE FOR ALL STATE UPDATES

2013 CALIFORNIA ADMINISTRATIVE CODE, TITLE 24, PART 1

The California Administrative Code contains administrative regulations of the California Building Standards Commission and administrative regulations of all state agencies that implement or enforce building standards.

LOOSE LEAF #5510L13 \$57 | **MEMBER \$45.50**
PDF DOWNLOAD #8701PCA13 \$54 | **MEMBER \$43**

INCLUDES PARTS 8 AND 10!

2013 CALIFORNIA BUILDING CODE, TITLE 24, PART 2

The California Building Code (CBC) contains general building design and construction requirements relating to fire and life safety, structural safety, and access compliance. CBC provisions provide minimum standards to safeguard life or limb, health, property, and public welfare by regulating and controlling the design, construction, quality of materials, use and occupancy, location, and maintenance of all buildings and structures and certain equipment. Matrix Adoption tables are provided at the beginning of every chapter in Part 2 to indicate which chapters and sections are adopted by state agencies (for application to their respective occupancies). This 2-volume set is a fully integrated code based on the 2012 *International Building Code*®.

TURBO TABS #0001TL13CA \$17 | **MEMBER \$14**

2013 CALIFORNIA RESIDENTIAL CODE, TITLE 24, PART 2.5

The California Residential Code (CRC) contains building provisions that cover construction of one- and two-family dwellings and townhouses that are three stories or fewer. California amendments provide consistency with model-code format, state and federal laws and regulations, and unique California conditions with regard to the construction of one- and two-family dwellings and townhouses. This code does not include Energy, Mechanical, Plumbing, or Electrical standards, which are found in other parts of Title 24. This is a fully integrated code based on the 2012 *International Residential Code*® (Chapters 2-10).

TURBO TABS #0101TL13CA \$17 | **MEMBER \$14**

2013 CALIFORNIA ELECTRICAL CODE, TITLE 24, PART 3

The California Electrical Code (CEC) contains electrical design and construction standards. Provisions contained in the CEC provide minimum standards to safeguard life or limb, health, property, and public welfare, and to protect against hazards that may arise from the use of electricity by regulating and controlling the design, construction, installation quality of materials, and the location and operation of electrical equipment, wiring, and systems. The CEC is a fully integrated code based on the 2011 *National Electrical Code*®.

EASITABS #5550LT13 \$17 | **MEMBER \$14**

2013 CALIFORNIA ENERGY CODE, TITLE 24, PART 6

The California Energy Code (CEC) contains energy conservation standards applicable to most residential and nonresidential buildings throughout California, including schools.

LOOSE LEAF #5560L13 \$51 | **MEMBER \$41**
PDF DOWNLOAD #8780PCA13 \$48 | **MEMBER \$38**

2013 CALIFORNIA FIRE CODE, TITLE 24, PART 9

The California Fire Code (CFC) contains regulations consistent with nationally recognized and accepted practices for safeguarding life and property from the hazards of fire and explosion; dangerous conditions arising from the storage, handling, and use of hazardous materials and devices; and hazardous conditions in the use or occupancy of buildings or premises. The CFC also contains provisions to assist emergency response personnel. These fire-safety-related building standards are referenced in other parts of Title 24. It's a fully integrated code based on the 2012 *International Fire Code*®.

SIGNIFICANT CHANGES TO THE CALIFORNIA RESIDENTIAL CODE: 2013 EDITION

This reference provides a solid understanding of the latest updates to the *California Residential Code*, in one single, easy-to use resource! The book focuses on provisions that have special significance, are utilized frequently, or have had a change in application from the 2010 edition of the code. Each change is accompanied by a photograph, a real-world application example, or an illustration to assist and enhance understanding. With a summary and discussion of the impact of these changes, this guide's coverage is complete, making it the perfect tool for transitioning to the new 2013 CRC.

SIGNIFICANT CHANGES TO THE CALIFORNIA BUILDING CODE: 2013 EDITION

Gain full access to the most critical updates to the *California Building Code*, the real-world application of those changes, and why they originated all in a single, easy-to-use resource. Coverage includes changes made to both structural and nonstructural provisions. Each change analysis features the affected code sections and identifies the change as newly-added text, a modification of the existing language, or deleted text. Accompanying each change is a detailed illustration or example, which brings the technical language of the code to life in a real-world setting.

SOFT COVER #7704S13 \$29 | MEMBER \$23

GUIDE TO THE 2013 CALIFORNIA GREEN BUILDING STANDARDS CODE: NON-RESIDENTIAL

This guide was developed by the California Building Standards Commission and introduces code users to the non-residential provisions of the 2013 California Green Building Standards Code (Title 24, Part 11), also known as CALGreen.

SOFT COVER #7703S13 \$29 | MEMBER \$23

STEPPING THRU ACCESSIBILITY DETAILS

Compiles more than 110 architectural details and specifications based on the 2010 Americans with Disabilities Act Standards with a color-coded overlay of the 2013 California Building Codes, including the sourcing

information for both. Because each detail and specification is color-coded for portions that pertain only to California, it is also a valuable tool and resource for all areas of the country that need to comply with the ADA. An ideal resource for architects, landscape architects, interior designers, civil engineers, facility managers, plan checkers, building inspectors, and contractors.

SOFT COVER #9618S \$76 | MEMBER \$68

CalDAG 2013: AN INTERPRETIVE MANUAL AND CHECKLIST

Understanding new accessibility provisions for public accommodations and commercial facilities in California is made easier with this newly updated bestseller. Features include more than 350 illustrations, valuable flowcharts breaking down compliance procedures, and easy-to-follow checklist format perfect for survey, inspection, or design.

SOFT COVER #9080S13 \$79.95 | MEMBER \$67.95

2014 CASH: CALIFORNIA ACCESS SPECIALISTS HANDBOOK

A handy field guide and checklist for the design, construction and inspection of accessible improvements for Public Accommodations, Commercial Facilities, and Publicly-Funded Housing in California. CASH is a half-sized (5-1/2" x 8-1/2") spiral-bound resource that will fit in a toolbag or glovebox, and is easily carried into the field. Combining and cross-referencing the 2013 California Building Code (CBC) with federal 2010 ADA/

ADAAG requirements, the C.A.S.H. is condensed from the scoping and technical sections of the 2013 CalDAG™ (California Disabled Accessibility Guidebook) to provide an instant "fingertip" resource.

Features:

- More than 250 superb illustrations.
- Applicable CBC and ADA/ADAAG section numbers for easy reference.
- The majority of the improvement-specific technical requirements are in checklist format, ideal for ensuring that completed improvements comply with ALL physical requirements.

This is a valuable reference for contractors, architects, inspectors, and attorneys in California. It is ideal for anyone working with the accessibility provisions of the CBC and ADA/ADAAG.

INCLUSIVE DESIGN GUIDELINES: NEW YORK CITY

This publication helps designers produce multisensory enhanced environments accommodating a wide range of physical and mental abilities for people of all ages. A companion document to the New York City Building Code, yet it also functions as a stand-alone publication. In harmonizing the book with both the New York City Building Code and ICC/ANSI A117.1-2003, it's easy to find and compare corresponding legal requirements.

Earn CEUs or prepare for a certification exam at your convenience from any location with internet access with ICC's Campus Online.

Campus Online features three types of courses:

- Online Study Guides
- Expert-led Topical Webinars
- Premier Online Code Training

See the full list of available courses:

www.iccsafe.org/Campus15

The Future of Code Development is here—cdpACCESS

This new online cloud-based tool, built exclusively for ICC's Code Development Process (cdp), offers Code Council Members the opportunity to collaborate, review, submit and vote on code change proposals and public comments.

Accessible

Participation in ICC's Code Development Process, both currently and under cdpACCESS, is open to all users and is not limited to ICC Members*.

Connected

An online collaboration feature where the discussion on individual proposals and public comments is threaded and retained for follow-up response by invited peers.

Supportive

ICC is committed to supporting our Members as we transition into cdpACCESS for our code development process. You can find help any of the following ways:

- While logged into cdpACCESS.com, click 'Help' at the top for a user's manual.
- Contact ICC staff via email: cdpACCESS@iccsafe.org

Learn how to create, edit and submit code change proposals online.
iccsafe.org/cdpACCESS

**With the exception of online Governmental Member Consensus voting, which is limited to Governmental Member Representatives and Honorary Members and will occur following the Public Comment Hearing. Ballots will be posted for everyone to view however only eligible members can vote.*

Get Connected with the Best Code Resources and Member Benefits in the Industry

As a building professional, being connected to a Member-driven association that offers exclusive I-Code resources and training can play a vital role in building your career. No other building code association offers you more I-Code resources to help enhance your code knowledge and your career than the International Code Council® (ICC®).

Become an ICC Member now to take advantage of:

- Free code opinions from I-Codes experts
- Free I-Code book(s) or download to new Members*
- Discounts on I-Code resources, training and certification renewal
- Free access to employment opportunities in the ICC Career Center, including posting jobs
- Free benefits - Governmental Members: Your staff can receive free ICC benefits too*
- Great opportunities to network at ICC events
- ***Savings of up to 25% on code books & Training materials***

Get connected now! Visit our Member page at www.iccsafe.org/membership or call 1-888-ICC-SAFE (422-7233), ext. 33804 to join or learn more today!

*Some restrictions apply. Speak with an ICC Member Services Representative for details.
