**INTERNATIONAL
CODE
COUNCIL®**

People Helping People Build a Safer World®

Driving Growth and Affordability Through Innovation and Safety

An Overview of the International Code Council

The International Code Council is a member-focused association. It is dedicated to developing model codes and standards used in the design, build and compliance process to construct safe, sustainable, affordable and resilient structures. Most U.S. communities and many global markets choose the International Codes.

Services of the ICC

The organizations that comprise the International Code Council offer unmatched technical, educational and informational products and services in support of the International Codes, with more than 200 highly qualified staff members at 16 offices throughout the United States. Some of the products and services readily available to code users include:

- CODE APPLICATION ASSISTANCE
- EDUCATIONAL PROGRAMS
- PREFERRED PROVIDER PROGRAM FOR EDUCATORS
- CERTIFICATION PROGRAMS
- TECHNICAL HANDBOOKS AND WORKBOOKS
- PLAN REVIEW SERVICES
- DIGITAL PRODUCTS
- ONLINE MAGAZINES AND NEWSLETTERS
- PUBLICATION OF PROPOSED CODE CHANGES
- TRAINING AND INFORMATIONAL VIDEOS
- BUILDING DEPARTMENT ACCREDITATION PROGRAMS
- EVALUATION SERVICE FOR CODE COMPLIANCE
- EVALUATIONS UNDER GREEN CODES, STANDARDS AND RATING SYSTEMS

Additional Support for Professionals and Industry:

ICC EVALUATION SERVICE, LLC (ICC-ES)

ICC-ES is the industry leader in performing technical evaluations for code compliance, providing regulators and construction professionals with clear evidence that products comply with codes and standards.

INTERNATIONAL ACCREDITATION SERVICE (IAS)

IAS accredits testing and calibration laboratories, inspection agencies, building departments, fabricator inspection programs and IBC special inspection agencies.

SOLAR RATING & CERTIFICATION CORPORATION (ICC-SRCC)

The industry standard since 1980, ICC-SRCC fulfills the industry's need for a single, national program that allows manufacturers to rate and test the efficiency of solar equipment. In addition, ICC-SRCC now also includes the Small Wind Certification Council's services in its portfolio and can facilitate independent certification of Wind Turbines.

SIGNIFICANT CHANGES TO THE CALIFORNIA BUILDING CODE: 2016 EDITION

Gain full access to the most critical updates to the *California Building Code*, the real-world application of those changes, and why they originated all in a single, easy-to-use resource. Coverage includes changes made to both structural and nonstructural provisions. Each change analysis features the affected code sections and identifies the change as

newly-added text, a modification of the existing language, or deleted text. Accompanying each change is a detailed illustration or example, which brings the technical language of the code to life in a real-world setting.

SIGNIFICANT CHANGES TO THE CALIFORNIA RESIDENTIAL CODE: 2016 EDITION

This reference provides a solid understanding of the latest updates to the *California Residential Code*, in one single, easy-to use resource! The book focuses on provisions that have special significance, are utilized frequently, or have had a change in application from the 2013 edition of the code. Each change is accompanied by a

photograph, a real-world application example, or an illustration to assist and enhance understanding. With a summary and discussion of the impact of these changes, this guide's coverage is complete, making it the perfect tool for transitioning to the new 2016 CRC.

CalDAG 2013: AN INTERPRETIVE MANUAL AND CHECKLIST

Understanding new accessibility provisions for public accommodations and commercial facilities in California is made easier with this newly updated bestseller. Features include more than 350 illustrations, valuable flowcharts breaking down compliance procedures, and easy-to-follow checklist format perfect for survey, inspection, or design.

SOFT COVER #9080S13

\$79.95 | **MEMBER \$67.95**

2014 CASH: CALIFORNIA ACCESS SPECIALISTS HANDBOOK

A handy field guide and checklist for the design, construction and inspection of accessible improvements for Public Accommodations, Commercial Facilities, and Publicly-Funded Housing in California. Combining and cross-referencing the 2013 California Building Code (CBC) with federal 2010 ADA/ADAAG requirements, the C.A.S.H. is condensed from the scoping and technical sections of the 2013 CalDAG™ to provide an instant “fingertip” resource.

Features:

- More than 250 superb illustrations.
- Applicable CBC and ADA/ADAAG section numbers for easy reference.
- The majority of the improvement-specific technical requirements are in checklist format, ideal for ensuring that completed improvements comply with ALL physical requirements.

This is a valuable reference for contractors, architects, inspectors, and attorneys in California. It is ideal for anyone working with the accessibility provisions of the CBC and ADA/ADAAG.

SOFT COVER #5566S14

\$79.95 | **MEMBER \$67.95**

STEPPING THRU ACCESSIBILITY DETAILS

Compiles more than 110 architectural details and specifications based on the 2010 Americans with Disabilities Act Standards with a color-coded overlay of the 2013 California Building Codes, including the sourcing information for both. Because each detail and

specification is color-coded for portions that pertain only to California, it is also a valuable tool and resource for all areas of the country that need to comply with the ADA. An ideal resource for architects, landscape architects, interior designers, civil engineers, facility managers, plan checkers, building inspectors, and contractors.

INCLUSIVE DESIGN GUIDELINES: NEW YORK CITY

This publication helps designers produce multisensory enhanced environments accommodating a wide range of physical and mental abilities for people of all ages. A companion document to the New York City Building Code, yet it also functions as a stand-alone publication. In harmonizing the book with both the New York City Building Code and ICC/ANSI A117.1-2003, it's easy to find and compare corresponding legal requirements.

Multi-user feature comes to *premiumACCESS*

It is easier than ever for code colleagues to work together

Powerful features that work for you:

- ▶ *Concurrent multi-user functionality*
- ▶ *Improved loading time*
- ▶ *Search a chapter, book or books*
- ▶ *Copy, paste and print*

▶ New and Improved Features

▶ Hyperlinking between sections and table references or other books in your library.

▶ Annotations, Bookmarking and Highlight available.

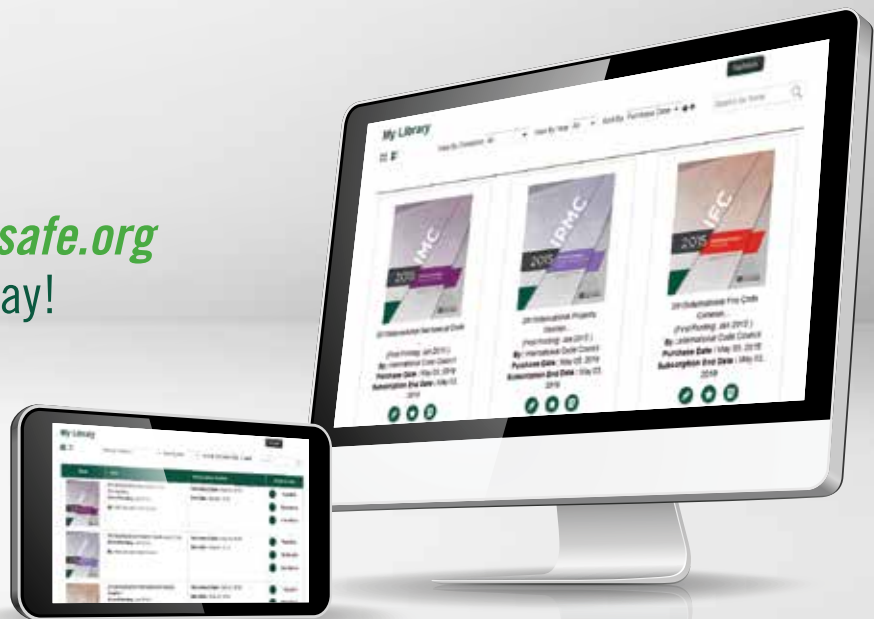

▶ Index chapter is now included and fully linked.

▶ Annotations allow you to include text or image files.

Let premiumaccess.iccsafe.org start working for you today!

BENEFITS THAT WORK FOR YOU

No matter where you are in your building career, put the benefits of ICC Membership to work for you!

Membership in ICC connects you to exclusive I-Codes resources, continuing education opportunities and **Members-Only** benefits that include:

- Free code opinions from I-Codes experts
- Free I-Code book(s) or download to new Members*
- Discounts on I-Code resources, training and certification renewal
- Posting resumes and job search openings through the ICC Career Center
- Mentoring programs and valuable networking opportunities at ICC events
- Free benefits — Corporate and Governmental Members: Your staff can receive free ICC benefits too*
- **Savings of up to 25% on code books and training materials and more**

Put the benefits of ICC Membership to work for you and your career. **Visit www.iccsafe.org/mem2 to join now or to renew your Membership.** Or call 1-888-ICC-SAFE (422-7233), ext. 33804 to learn more today!

* Some restrictions apply. Speak with an ICC Member Services Representative for details.

The Code Council is Just a Click Away!
